Yes - No

Have you been 50% active at meetings.

CURRENT RANK

Must be First Class for Troop Positions

Must be Life for ASPL/SPL

REQUIREMENTS:

To run for and accept a leadership position requires dedication to follow through with that commitment. You are signing on for at least 6 months of 70% participation and service to the Troop. If you are running for ASPL the commitment is 18 month.

You are accepting a position that the Troop has offered to all Scouts because of the need the Troop has for these duties to be fulfilled. If you do not follow through with these duties your position will be offered to another Scout.

Parental Support will be needed to ensure that the position is filled and the duties as they are outlined are fulfilled. The Troop and the Scout need the support of the parent to make sure these are done.

Other leadership opportunities are available to all Scouts that are unable to fulfill this type of leadership position. Rank advancement leadership has many forms and can be worked out with the Scoutmaster.

Refer to Troop Position Description for additional details.
